Notes

* purchase 4 oz AP chicken breasts will = at least 3 oz EP

* Rather than buying canned chicken broth, buy a SALT FREE or REDUCED SODIUM CHICKEN BASE that is low in fat and use to make the amount of broth needed for the recipe

Place chicken breasts in single layer on sprayed or parchment-lined baking sheets. Spray with butter flavored non-stick spray. Bake at 350 degrees F for 30 minutes.

Cacciatore topping:

Mix flour with cold water and add, stirring in, to vegetables, spices and broth that have been warmed in stock pot.. Bring to simmering point while stirring and simmer for at least 2 minutes.

Transfer chicken to counter pans (or if volume is smaller you can bake above in counter pans). Now arrange breasts in overlapping fashion so you can get 25 breasts per counter pan. Pour equal amounts of Cacciatore topping (~1 gal/25 servings) over chicken in each counter pan. Cover with foil.

Bake at 350 degrees F for 1 1/2 hours or until all ingredients are tender and internal temperature reaches 170 degrees F or higher. Serve 1 chicken breast and #8 scoop or 4 oz spoodle/serving = 3 oz meat and 1 serving vegetable.
